

Press Release

Byron McKnight has been named by Mesquite, Texas *Super Dentists*® as one of the top dentists in Mesquite, TX for 2016. This makes more than 10 year in a row that Byron McKnight has been selected as a Texas Super Dentist®, which has placed him in the Texas *Super Dentist*® Hall of Fame. The number of dentists receiving the honor or Texas *Super Dentist*® is limited to approximately ten percent of the region's active dentists, and even fewer who have been selected more than 10 years in a row.

Each year, MSP Communications undertakes a rigorous multi-phase selection process that includes a survey of dentists, independent evaluation of candidates by the research staff, a peer review of candidates by practice area and a good-standing and disciplinary check. As a part of this evaluation, dentists are asked to consider the following question: "If you needed dental care in one of the following practice areas, which dentist would you choose?"

Since 2005, MSP Communications, has published Super Dentists lists across the country in newspapers, inserts and magazine special sections devoted to Super Dentists. Honorees are also found online at www.superdentists.com, where selected dentists can be searched by name, practice area and location.
